### Friday 3<sup>rd</sup> May 2024

I hope you all enjoy a lovely bank holiday weekend. I can't believe we are already halfway through the half term! We have our Parents Evening meetings next week which will be a great opportunity to catch up with your child's class teacher to discuss their progress. I have included some future dates for the diary within this week's newsletter. Next week, we have our Friends of Crowton School meeting on Thursday evening at the Hazel Pear.

It would be great to see you there if you are able to join us!

Best wishes,  
 Miss L Hill

**E-Safety**

This week's E-Safety newsletter is all about championing equality online. It reminds us of the importance of respecting others online and provides strategies for children to keep themselves (and others) safe!

**EYFS and KS1: Kingfishers**

Kingfishers had great fun earlier this week enjoying the sunshine! The children filled and emptied sand from diggers and dumpers, making tunnels and digging out a road with an excavator! They also used the water tray to explore capacity with water.

**KS2: Chaffinches**

In Science this week, Y3 and Y4 investigated the reflective properties of different materials. They learnt how light travels in a straight line and is reflected off (bounces off) objects.

**NCK Worship- Friendship**

Sarah visited us earlier this week to deliver our collective worship. We learnt about the story of five friends who helped each other out especially when their friend became poorly and couldn't walk, they took their friend to see Jesus.
